

Section A: Choose the right answer:

1. A person described as having 'clean and tidy' habits would be someone who:
 - a) enjoys loud music and parties late at night.
 - b) keeps their room organized and washes the dishes immediately.
 - c) often forgets to finish the chores they start.
 - d) always has interesting books and shares them.
2. **Complete the sentences using the most logical adjective or phrase from the list provided. (quiet, the same interests, generous, healthy habits, tidy)**

- a) I prefer a roommate who is _____ because I like studying in silence after 8 p.m.
- b) A _____ person is great to share a house with because they often buy food or share what they have.
- c) It's important to have _____ as your friends so you always have things you enjoy doing together.
- d) A person with _____ often goes running early and eats fresh food, which can encourage you to be fit, too.

Section B: Complete the questions using the correct word/phrase from the box. Be careful with countability and auxiliary verbs.

| many | is there | do you | is | can you |

1. _____ cook outside in the small garden? (Asking about ability/permission)
2. How _____ bedrooms are in the flat? (Asking about number)
